

**Chatsworth Police Services Board**  
**October 16, 2008 Closed Session**  
**MINUTES**

---

**A closed session occurred during a regular meeting of the Chatsworth Police Services Board was held on the above date.**

**Present: Board Members Frank Beirnes, Bob Elliot, Cornelius Vlieland, and Grace Nayler Secretary.**

Discussion took place regarding a letter that was sent to the Chatsworth Police Services Board regarding an unsigned letter received from "Concerned members of the Chatsworth community".

The Board was unable to take action, based on the fact that the letter was not signed. The Board feels that somehow, they should seek out answers to these accusations, but, do not have the teeth to seek information.

The Board felt that they should get a hold of all of the other Chairmen from the other Boards, and see if they can find out if any of them have knowledge of this complaint.

The Board decided that the above was the next step to take.

October 20, 2008 Bob Elliot, Grace Nayler and Howard Greig (Mayor) met. The three of us felt that instead of notifying any of the members of the other service boards that we should write a letter to Commissioner Julian Fantino's office and ask where they are at in relation to the letter.

It is not our place to question or investigate the OPP employees. That is for the OPP to do.
