

## **Adopt a Road Program**

The Township of Chatsworth Adopt-A-Road Program is a public service program that encourages residents to volunteer their time to pick up litter along the Township road sides.

It is a way for residents, community and civic organizations, private businesses and industry to help keep your Township beautiful and clean.

## **How Do I Get Involved?**

If you wish to get involved please contact Teresa Buys at the Township of Chatsworth office, 519-794-3232.

If the desired road is available for adoption the Township will erect signs recognizing the Organization's or individuals' efforts. These signs will be supplied and erected by the Township Roads Department staff at either end of the road which is being designated or adopted.

Waste collection bags and safety vests will be supplied. The Roads Department will collect the bags of waste.
