

THE CORPORATION OF THE TOWNSHIP OF CHATSWORTH

BY-LAW NUMBER 2020-14

Being a By-law under the Building Code Act Respecting Construction, Demolition and Change of Use Permits and Inspections

WHEREAS Section 7 of the Building Code Act, 1992, S.O. 1992 c23 as amended authorizes a municipal council to pass by-laws respecting construction, demolition, change of use permits and inspections, and establishing building permit fees.

AND WHEREAS pursuant to Section 425 of the Municipal Act, S.O. 2001, c.25, as amended provides that any person who contravenes any by-law of a municipality passed under the authority of the Municipal Act is guilty of an offence;

AND WHEREAS pursuant to Section 2 of the Trespass to Property Act, R.S.O. 1990, c. T.21, as amended, makes it an offence for every person who is not acting under right or authority conferred by law and who, without the express permission of the occupier, the proof of which rest on the defendant, enters on premises when entry is prohibited under the Act or engages in an activity on the premises when the activity is prohibited under the Act or does not leave the premises immediately after he or she is directed to do so by the occupier of the premises or a person authorized by the occupier;

AND WHEREAS pursuant to Section 5 of the Trespass to Property Act, R.S.O. 1990, c. T.21, as amended, allows a municipality as "occupier" to post signs, prohibiting activities within an area.

Now therefore, the Council of the Corporation of the Township of Chatsworth hereby enacts as follows:

1.0 Short Title

This By-law may be cited as the "Building By-law".

- a) "**Act**" means the Building Code Act, 1992, as amended;
- b) "**Applicant**" means the owner of a building or property who applies for a permit or any person authorized by the owner to apply for a permit on the owner's behalf, or any person or corporation empowered by statute to cause the demolition of a building or buildings and anyone acting under the authority of such person or corporation;
- c) "**Building Code**" means the regulation made under Section 34 of the Act;
- d) "**Chief Building Official**" means the Chief Building Official appointed by Council under Section 3 of the Act;
- e) "**Inspectors**" means such Building Inspectors appointed by Council under Section 3 of the Act;
- f) "**Owner**" means the registered owner of the land and includes a lessee, mortgagee in possession, and the person in charge of the property;
- g) "**Permit**" means permission or authorization given in writing by the Chief Building Official to perform work regulated by the Act and Building Code, or to occupy a building or a part thereof;
- h) "**Permit holder**" means the person to whom the permit has been issued and who assumes the primary responsibility for complying with the Act and the Building Code;
- i) "**Plumbing**" shall have the same meaning as 'plumbing' as defined the Building Code Act;
- j) "**Project Value**" means the Applicant's estimated value of construction of a proposed building including the total value of all work, services and materials in respect of its construction and of all professional and related services, as reviewed by the Chief Building Official and adjusted if deemed necessary by the Chief Building Official to establish a reasonable value based on the facts before him or her.

- k) **“Wind Turbines”** means a mechanism which turns when wind traverses its blades in order to produce mechanical, thermal or electrical energy.

Terms not defined in the By-law shall have the meaning as described to them in the Act or the Building Code.

3.0 Classes of Permits

Classes of permits required for construction, demolition or change of use be set forth in Schedule “A” appended to and forming part of this By-law.

4.0 Permits

To obtain a permit, an applicant shall file an application in writing on prescribed forms and shall supply any other information relating to the application as required by the Chief Building Official.

4.1 Every building permit application shall:

- a) identify and describe in detail the work, use and occupancy to be covered by the permit for which the application is made;
- b) identify and describe in detail the existing uses and the proposed use(s) for which the premises are intended;
- c) describe the land on which the work is to be done, by a description that will readily identify and locate the site on which the building or demolition is to occur;
- d) be accompanied by plans and specifications as described in the By-law;
- e) be accompanied by the required fees as calculated, as shown on Schedule “D” of the Townships Fees and Charges By-law;
- f) state the names, addresses and telephone numbers of the owner, applicant, architect, engineer or other designer, and the constructor or person hired to carry out the demolition, as the case may be;
- g) when Division C, Section 1.2.2. of the Building Code applies, be accompanied by a signed acknowledgement of the owner on a form prescribed by the Chief Building Official that an architect or professional engineer, or both, have been retained to carry out the general review of the construction or demolition of the building;
- h) when Division C, Section 1.2.2. of the Building Code applies, be accompanied by a signed statement of the architect or professional engineer, or both, on a form prescribed by the Chief Building Official, undertaking to provide general review of the construction or demolition of the building;
- i) include, where applicable, the registration number of the builder or vendor as provided in the Ontario New Home Warranties Plan Act;
- j) state estimated valuation of the proposed work including material and labour; and
- k) be signed by the owner or his or her authorized agent who shall certify the truth of the contents of the application;

4.2 In addition to the requirements of subsection (4.1) above, every demolition permit application shall;

- a) when Division C, Section 1.2.2.3. of the Building Code applies, be accompanied by structural design characteristics of building and the method and time schedule of the demolition; and
- b) be accompanied by satisfactory proof that arrangements have been made with the proper authorities for the termination and capping of all the water, sewer, gas and electric, telephone or other utilities and services.

4.3 In addition to the requirements of subsection (4.1) above, every sewage system permit application shall also include;

- a) Schedule 2A: Sewage System Information
- b) Schedule 2B: Soil Criteria and Site Evaluation
- c) Schedule 2C: Class 4 Sewage System Calculations
- d) Schedule 2D: Site Plan

- 4.4 In addition to the requirements of subsection (4.1) above, every construction permit application for part of a building shall;
- a) include an application for the entire project; and
 - b) include plans and specifications covering the part of the work for which more expeditious approval is desired, together with such information pertaining to the remainder of the work as may be required by the Chief Building Official;
- 4.5 In addition to the requirements of subsection (4.1) above, every conditional permit application for the construction of a building shall;
- a) state the reasons why the applicant believes that unreasonable delays in construction would occur if a conditional permit is not granted; and
 - b) state necessary approvals which must be obtained in respect of the proposed building and the time in which such approvals will be obtained;
 - c) enter into an agreement with the Municipality; and
 - d) pay securities specified in the agreement. Amount of securities will be determined by the Chief Building Official and will be based on the cost to return the site to a pre-construction state if the Owner does not fulfill the requirements of the agreement.
- 4.6 In addition to the applicable requirements of subsection (4.1) above, every change of use permit application shall;
- a) describe the building or part thereof in which the occupancy is to be changed; and
 - b) include plans and specifications which show the current and proposed occupancy of all part of the building, and which contain sufficient information to establish compliance with the requirements of the Building Code including floor plans, details of wall, floor and roof assemblies identifying required fire resistance rating and load bearing capacities.
- 4.7 The Chief Building Official shall, where conditions in subsection (4) above have been fulfilled, issue a permit for part of a building subject to compliance with the Act, the Building Code and any applicable laws.
- 4.8 The Chief Building Official may, where conditions in Subsection 8(3) to 8(5) of the Act and subsection (4.4) above have been fulfilled, issue a conditional permit for a building subject to compliance with the Act, the Building Code and any applicable law.
- 4.9 The Chief Building Official shall not, by reason of the issuance of a permit for any part or parts of the building issued under subsection (4.4) and (4.5) be under any obligation to grant any further permit or permits therefore.
- 4.10 Where an application for a permit remains incomplete or inactive for six months after it is made, the application may be deemed by the Chief Building Official to have been abandoned.

5.0 Plans and Specifications

- 5.1 Every applicant shall furnish;
- a) sufficient plans, specifications, documents and other information to enable the Chief Building Official to determine whether the proposed construction, demolition, or change of use conforms to the Act and the Building Code; and
 - b) electronic submissions are preferred. Payment for the accommodation of non-electronic documents will be borne by the registered owner or their authorized agent. An electronic submission is to be made in a Portable Document Format (PDF). Plans, specifications, documents and other information are to be legible when printed to scale. Drawings to be minimum size of 8.5" x 11.0" and shall be complete, fully dimensioned and to scale.
 - c) a site plan referenced to a current plan of survey certified by a registered Ontario Land Surveyor and a copy of such survey shall be filed with the municipality unless this requirement is waived because the Chief Building Official is able, without having a

current plan of survey, to determine whether the proposed work conforms to the Act, the Building Code, and any other applicable law. Site plan will include;

- i) lot size and dimensions of property;
- ii) setbacks from existing and proposed buildings to property boundaries and to each other;
- iii) existing and finished ground levels or grades; and
- iv) existing rights of way, easements and municipal services.

5.2 Plans submitted shall be legible and be drawn to scale.

5.3 The Chief Building Official shall determine the number of plans, specification, documents and other information required to be furnished with an application for permit having regard for the requirements of an Act, regulation or By-law respecting the examination or circulation of the application.

5.4 On completion of the construction of a building, the Chief Building Official may require a set of as constructed plans, including a plan of survey showing the location of the building.

5.5 Plans and specifications furnished according to this by-law or otherwise required by the Act become the property of the municipality and will be disposed of or retained in accordance with relevant legislation.

6.0 Fees

6.1 The Chief Building Official shall determine the required fees calculated in accordance with Schedule "D" of the Townships Fees and Charges By-law for the work proposed and the applicant shall pay such fees. No permit shall be issued until the fees therefore have been paid in full.

6.2 Upon written request, the Chief Building Official shall determine the amount of fees, if any, that may be refunded in accordance with Schedule "B" of this By-law. No fees shall be refunded after six months of permit issuance. Under no circumstances shall there be a refund of less than \$200.00.

6.3 Subject to subsection 7(1) there shall be no refund of permit fees where a permit has been revoked.

7.0 Permit Revocation, Deferral of Revocation and Transfer

7.1 Revocation of Permit

Prior to revoking a permit in accordance with the Act, the Chief Building Official may give written notice of intention to revoke to the permit holder at his last known address and, if on the expiration of thirty (30) days from date of such notice, the ground for revocation continues to exist, the permit may be revoked without further notice and all submitted plans and other information may be disposed of.

7.2 Transfer of Permit

- a) Permits are transferable only upon the new owner completing a permit application to the requirements of Section 4; and
- b) A fee, as prescribed in Schedule "D" of the Townships Fees and Charges By-law, shall be payable on a transfer of permit by the new owner who shall thenceforth be the permit holder for the purpose of the Act and the Building Code.

8.0 Notifications

8.1 Notices for inspections respecting stages of construction required by the Building Code shall be given by the permit holder to the Chief Building Official at least two business days in advance if each stage of construction specified therein.

8.2 A notice pursuant to this section is not effective until written or oral notice is received by the Chief Building Official.
