MEDIA ADVISORY – FOR IMMEDIATE RELEASE

October 12, 2021

TOWNSHIP of CHATSWORTH FIRE DEPARTMENT ACHIEVES WATER TANKER ACCREDITATION – MAY LOWER INSURANCE RATES FOR RURAL RESIDENTS

Township of Chatsworth, Ontario: On Saturday October 2nd, 2021, the *Township of Chatsworth Fire Department* successfully completed a two-hour water tanker shuttle accreditation test certifying the department’s capabilities in providing water for rural fire fighting.

Fire Chief Mike Givens said that “with this accreditation, rural residents with homes, farms and businesses within the Township of Chatsworth Fire Department coverage area may be eligible for a rate reduction on their insurance.” Chief Givens would also like to thank our Mutual Aid partners, Intertownship Fire Department and the Chesley and Area Fire Department for their assistance with the accreditation.

Township of Chatsworth residents can download a copy of the Fire Department Water Tanker Shuttle Accreditation Certificate, if needed for insurance purposes, from www.chatsworth.ca or contact the fire department directly.
