The Mayor announced that this is a Public Meeting under the Planning Act to hear comments from the public and agencies and give consideration to an application for a proposed Zoning By-law Amendment. He explained that the purpose of the Zoning By-law Amendment is to amend the “secondary dwelling” provisions of the Zoning By-law to allow for a second detached dwelling to be erected on the subject property at a distance of 75 metres from the existing detached dwelling. The Zoning By-law normally requires a second dwelling to be erected within 50 metres of the existing detached dwelling.

Staff provided a summary of all comments received as a result of the circulation of this application to the general public and commenting agencies.

The Planner provided an overview of the application and evaluated the proposal within the context of the Grey County Official Plan and the Provincial Policy Statement. He concluded his presentation by recommending approval of the Zoning By-law Amendment.

Don Griffin was in attendance at the public meeting.

No members of the public spoke in favour or against the proposal.

The Mayor closed the meeting at that time.
